WORK EXPERIENCE

UX/UI Designer

Freelance | September 2020 - Present

- Researched, ideated, and designed a money transfer self-service kiosk app that allows you to securely transfer funds at any time of day.

Licensed Real Estate Assistant

WK Real Estate | January 2018 - August 2019

-Created marketing materials to send out resulting in new leads along with repeat clients.

- Interviewed clients to determine real estate goals, needs and wants improving transaction turn around time.

-Created comparable market analyses to determine the most accurate list price of homes.

-Set and managed appointments as well as showing homes to prospective clients resulting in 30% more sales.

-Held open houses on current and new listings which brought in new leads and potential buyers for listings.

EDUCATION HISTORY

Career Foundry

UX / UI Design | November 2019 - August 2020

-1000+ hour intensive program focused on UI visualization and data-driven UX methodology, with comprehensive, hands-on training. Studies spanned from visual design principles, color theory, grids, and UX best practices to wire-framing, prototyping, responsive design, mobile gestures, and animated interactions.

Community College of Denver

Business | 2016 - 2019

-Completed prerequisite courses along with several business related courses.
